Bank Card

Bank cards issued in your home country/region can be accepted if the logos of your bank cards, such as UnionPay, Visa, Mastercard and other payment organizations, are displayed at the checkout counter (see picture below). If not, please ask the cashier whether your bank card can be accepted. If you hold a UnionPay card, it can be accepted by all merchant POS terminals in China's mainland.

Mobile Payment

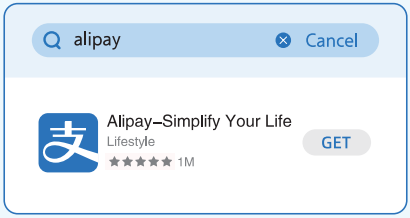

You can enjoy convenient payment services with just a mobile phone. Mobile payment services such as Alipay, Weixin Pay and UnionPay are available.

For better payment experiences, no ID information is required for transactions under a certain amount. Give it a go!

Please watch videos for more details at *www.pcac.org.cn*.

Cash

You can withdraw RMB cash from ATMs that accept international bank cards at the port of entry, where you can also exchange other currencies for RMB through exchange service providers or self-service exchange machines. In downtown areas, you can still get RMB cash via these methods.

Authorized currency exchanges, some hotels, bank branches and currency exchange kiosks also provide currency exchange services. Usually, there is an eye-catching “exchange” sign on display so you may find them easily.

EXCHANGE 货币兑换

Kindly note that you can convert your remaining RMB cash back to your own currency or other major currencies in downtown areas or at the port of exit with the help of currency exchange service providers.

Bank Account

You can open a bank account with your passport or other valid IDs at any nearby bank outlet, such as the Industrial and Commercial Bank of China (ICBC), the Agricultural Bank of China (ABC), the Bank of China (BOC), the China Construction Bank (CCB), and the Bank of Communications (BOCOM). Please consult the staff at the bank outlet or visit their official websites for more information.

With the account, you can enjoy a variety of financial services (such as deposit and withdrawal of both RMB and foreign currencies, foreign currency purchase and sale, domestic transfer and cross-border remittance, foreign currency exchange, and making payment).

E-CNY *

You can also make payment with e-CNY if you are interested in e-CNY.

Download the "e-CNY" app in the app store. Android users can also scan the QR code below to download. Then, pay by following the instructions in the app.
